Express your support for Spark of Brilliance through the creation of small masterpieces, which will be showcased for purchase at the Art Works for Mental Health Art Gala to benefit Spark of Brilliance. Your artwork not only contributes to the event's vibrancy but also assists in raising funds for the purchase of much-needed, quality art supplies for the program.

Holiday Watercolour Greeting Cards -

The holiday season has returned, and you're invited to a delightful workshop where you will have the opportunity to create charming and uncomplicated holiday-themed illustrations. These artistic creations can be used for cards, framed gifts, or any other festive applications. While some basic knowledge of watercoloring can be advantageous, it is not a requirement.

Leap Write In -

Inspired by "Leap Write In", by Karen Benke, this series invites your jittery mind into quiet slips of timed experiments that are designed to encourage your timid heart to forge forgotten feelings and entice your shy-self to make friends with emerging emotions. Explore all the wacky, confusing, brave, soul-stirring, wonderings, and wanderings of your life's inner treasures.

Wood Slice Painted Ornaments -

Get ready to usher in winter spirit a bit early this year! Join us in crafting beautifully painted ornaments on wood slices that will add a touch of joy to your home or make a delightful gift for someone special. We encourage you to come with your artistic ideas or be prepared to share and inspire each other with creativity. Let's make the cold days a little bit warmer with our personalized artful ornaments!

How Do I Price My Art?

This workshop is tailor-made for artists, especially those gearing up to participate in our annual art gala.

In Progress: Gala Edition -

Take some "me" time to work on some of your in-progress art pieces.

Spare Geometry -

Create a piece of geometric art inspired by Russian artist, Kazimir Malevich.

The Writing Life -

We will share our work with one another when we feel inspired and comfortable doing so and provide supportive feedback, exploring our natural curiosity and instincts. Writing can be a self-care practice, as well as a vehicle for social change - your words are powerful!
