

We're recruiting – Board member with Finance background

Are you interested in volunteering with a progressive, dynamic organization that seeks to make a real difference in the lives of marginalized and underrepresented groups, and those with mental health & substance use health challenges and developmental disabilities? **Are you a senior-level Finance professional who has board experience?**

We're looking for someone like you to join our Board of Directors.

Canadian Mental Health Association Waterloo Wellington (CMHA WW) is a non-profit organization that supports diverse communities to achieve the quality of life they desire. As one of the largest community mental health agencies in Ontario, we provide a full range of mental health and developmental programs and services for Waterloo and Wellington residents.

Our Mission

We work to build a community in which everyone has what they need to live meaningful lives. We build human connections that make it possible for people to achieve their greatest potential. We inspire and support people in achieving the quality of life that they desire. We are there when you need someone.

Our Vision

Imagine a community where: When you need support, wherever you are, there's someone.

We are CMHA WW. We are more.

Our Values

Mutual Respect, Accountability, Integrity, Excellence, and Innovation

Our commitment to inclusion and diversity

We are committed to equity, inclusion and accessibility, and welcome and respect the diversity of all members of our community and committees. We aim to increase the diversity of our board by making intentional efforts to reflect the communities we serve, and actively seeking individuals from underrepresented backgrounds. We welcome applications from Black, Indigenous and racialized persons, women and persons with disabilities, 2SLGBTQIA+ persons, and others who may contribute to the further diversifications of perspectives and experiences within our group. We also welcome applicants who have lived experience with mental health and substance use health challenges. We are committed to a fair assessment of a candidate's abilities, including consideration for non-traditional career paths. We will support access to technology and internet as needed.

CMHA WW is inviting applications for the following positions:
